How To Use NOLA GOV. Online Streaming Video

Choose a “channel” from the options (example: click on “NOLA City Council Meetings” to view the proceedings). You will then be able to select from a listing of recent meeting archives or you can watch a live meeting in progress.

1. Watch and listen to the proceedings of your public meeting.
2. View the Agenda / Minutes in the same browser while watching the meeting.
3. Click on the highlighted items in the Agenda / Minutes to jump to that topic in the video content. (Archived meetings only)
4. Click on “All Items” to navigate the meeting using “Jump-to Points.” (Archived meetings only)
5. Click on an item to jump to that point in the meeting. (Archived meetings only)
6. Click on “Current Item” to access text related to the item currently being discussed in the video. (Archived meetings only)
7. Help topics are available via the Citizen Help Portal Link.
8. Use the “Share” link to email the video, or link it on your social networking accounts such as Facebook and Twitter!

The screenshot displays a web browser window titled "Regular Meeting of the City Council - Windows Internet Explorer". The page is divided into two main sections. On the left, a video player shows a live stream of a city council meeting, with a red callout '1' pointing to the video. Below the video is a navigation menu with a red callout '4' pointing to the "All Items" link. The menu lists various agenda items, with a red callout '5' pointing to item 'D. PLEDGE OF ALLEGIANCE TO THE FLAG'. A red callout '6' points to the "Current Item" link. On the right, the agenda text is displayed, with a red callout '2' pointing to the "ROLL CALL" section, a red callout '3' pointing to the "NATIONAL ANTHEM" section, and a red callout '8' pointing to the "SHARE" link at the bottom of the page. The browser's address bar shows "http://www.nolacitycouncil.com".
